CARBONDALE COMMUNITY HOUSING PROGRAM

PART I. COMMUNITY HOUSING CATEGORIES

The Town's goal is to establish and implement a plan to have new development provide housing within the community at sales prices which are attainable to persons and families of various incomes. In order to carry out this objective, community housing units are categorized to reflect which income levels they are to service as set forth in Sections 1 and 2 below. The maximum gross household income and maximum net assets for each income category are set forth in Table I.

TABLE I

MAXIMUM GROSS INCOMES AND ASSETS BY CATEGORY 2017

	<u>Category 3</u>
0 Dependents	\$ 84,480
1 Dependent	\$ 91,980
2 Dependents	\$ 99,480
3 or more Dependents	\$106,980
Maximum Net Assets	\$200,000

Income Categories: A household may qualify to purchase a unit in a higher Income Category. Persons in the next higher Income Category may bid on lower Income Category units; however bidders qualifying for the unit Income Category have priority.

Net Assets: Net Assets do not include retirement instruments. Persons age 65 and over are allowed a 50% increase in net assets.

R.O.: Resident Owner Occupied units have no income or asset limits.

HUD AMI: The Income Categories correspond to the current HUD Area Median Income (AMI) for Garfield County. Categories 1 through 4 represent 80%, 100%, 120% and 150% AMI respectively. The Town of Carbondale begins its income categories with the Garfield County 4-person household and adds dependents from that benchmark.

QUALIFICATIONS TO OCCUPY COMMUNITY HOUSING

The deed restriction for a community housing unit requires owner occupancy. To initially qualify for and be eligible to occupy a community housing unit, a person must meet all of the following criteria.

- A. A qualified person must be a full-time employee working in the Roaring Fork Valley employed at a location for a business with its principal office located in the area from Aspen to Parachute, including Redstone and Marble (“Employment Area”) with priority to persons who live or work within the boundaries of the Town of Carbondale, a retired person who has been a full-time employee in the Employment Area a minimum of four years immediately prior to his or her retirement with priority to persons who live or work within the boundaries of the Town of Carbondale, or a disabled person who has been a full-time employee in the Employment Area a minimum of two years immediately prior to their disability (as defined in the Definitions); or the spouse or dependent of any such qualified employee, retired person, or disabled person.
- B. A qualified person, upon purchase of the unit, shall occupy the unit as their primary residence. The owner shall be deemed to have ceased to use the unit as his or her sole and exclusive place of residence by accepting permanent employment outside of the Employment Area, or residing in the unit fewer than nine (9) months out of any twelve (12) months.
- C. A qualified person must not own developed residential real estate or a mobile home in those portions of Eagle, Garfield, Gunnison or Pitkin Counties which are part of the Roaring Fork River drainage, or must list for sale, at competitive market prices, the residential real estate or mobile home prior to or simultaneously with closing on the community housing unit. If the property is not sold by the time of closing on purchase of the community housing unit, it must remain listed until sold. If the owner of the other residential property desires to rent that property prior to sale, the owner shall be required to rent such property as community housing in accordance with the Guidelines at the income category determined by the Town to be appropriate under the circumstances. If an individual owns vacant land in those portions of Eagle, Garfield, Gunnison or Pitkin Counties, which are part of the Roaring Fork drainage, while owning a housing unit, as soon as the land is improved with a residence, the individual must relinquish the community housing unit by listing and selling the ownership interest in that unit.
- D. A qualified person must have total current household income no greater than the maximum amount specified above for the particular category of housing. Persons in the next higher income category may bid on a unit, but will be last in priority to income-qualified applicants and can only be considered if there is no other income-qualified applicant at the time of application; the income category of the unit remains consistent with the original sale category and future sales will always give priority to income-qualified households within that category.

Full-Time Employee = minimum employment of at least one household member working 30 hours per week, 9 months per year.

Co-ownership and Co-signing – Co-signers may be approved for ownership of the affordable housing unit but shall not occupy the unit unless qualified under the Carbondale Affordable Housing Guidelines. Individuals using a co-signer must earn at least 75% of the income needed to qualify for the purchase of the unit.

PRIORITY: Applicants who live or work within the town boundaries of Carbondale will have first priority in the lottery and will be drawn first.
