MEDICAL EXPENSES

Medical expenses may be deducted from the income of a family whose head, spouse, co-head or sole member is at least 62 years old, or is a person with disabilities. Once a family is considered an elderly or disabled family, the medical expenses of all the family members may be considered.

Effective October 1, 2011 the Garfield County Housing Authority will use the IRS publication 502 Medical and Dental Expenses as the guide to determine medical expense deductions.

The amount deducted for medical expenses is the portion of the family's "out-of-pocket" expenses exceeding three percent (3%) of the family's gross income.

You can obtain a copy or view the publication at www.irs.gov.

Warning: Section 1001 of Title 18 of the United States Code, states that a person who knowingly and willingly makes false or fraudulent statements to any department or agency of the United States is guilty of a felony.
